

Eternally Refreshed

Rev. 7:17 NIV “For the Lamb at the center of the throne will be their shepherd; He will lead them to springs of living water. And God will wipe away every tear from their eyes.”

These words of scripture bring a beautiful picture to mind. A Shepherd leading his sheep to springs of living water and gently caring for them. Peace and love from the One who said, “I am the good shepherd.” We will be home forever and God will wipe away our tears. We will be filled with joy and eternally refreshed.

In ancient times, kings often referred to themselves as shepherds. They wanted the people to think of them as one who not only leads, but also one that would take care of them as well. Sheep depended on the shepherd to supply all their needs.

The words from the Bible speak of a time in the future. We still have a Shepherd who provides for us each day in the present time. He is the King of Kings! He leads us and those who know His voice, will follow with confidence. We are refreshed daily.

Prayer: Heavenly Father, help us remember that You are the Shepherd of all our days, now and forever.
